### About Us

Whether it is for a company party, family gathering, or a wedding, we would love to be part of your big day! Brower farms offers a variety of catering solutions, whether you want a simple pig roast, or if you want us to fully cater your event. We have been doing pig roasts for more than 25 years and love every minute of it. We are located in Brown City, MI, just off M-53.

### Do-It-Yourself Roasting

Roasting Pig → Call for Pricing

Roaster Rental → \$80 for the weekend

### Pick-Up

**\$375** → This includes the pork, the pans, and us cooking the pig. We roast the pork at the farm and you pig it up in aluminum pans the day of your party. This is great for people who would like to save a little bit of money and still get the great taste of a roasted pig! Meat will be kept hot for pick-up!

### Pans of Meat

**\$135** → Pan of fresh pulled pork hot for pick up for about 40 people!

**\$30** → 30 pieces of smoked chicken

**Smoked Beef** → Call for Pricing

### Delivery

**\$550** & up → This includes the pig, processing, us cooking the pig, and then delivering it. We roast the pig here at the farm for most of the day. We will arrive at your party 30-60 minutes before you would like to eat to cut up the pig. This is good for people who want the whole pig there for people to see.
